

# SCHOOL COUNCIL MINUTES 9<sup>TH</sup> NOVEMBER 2009

Present: Harvey 5AH, Caitlin 6GD, Jessica 4WH, Ella 6HC, Molly 4SN, James 4SN, Jake 3KT, Tyler 3 KW, Morgan 3KW, Mrs Atkinson and Mrs Dewey.

School council badges were given out. Children were asked to try and remember to wear them every day.

## **Pennies Jar.**

The jars have been emptied. 6GD have won a non-uniform day. Reps asked to encourage their class to raise money for the orang-utan fund.

## **Thorn Bush.**

The bush is part of the hedge that separates us from the rec, therefore nothing can be done. Children should be aware of it and be careful.

## **Smarties.**

Reps to remind their class about this.

## **Bring and Buy.**

This didn't take place before half term.

## **Feed Back.**

Children are to remind class teachers that they need to do feedback from school council meetings.

## **School Calendar.**

A sample of the school calendar for 2010 which will go on sale was shown to the school council. It was suggested that a competition could be held to design the front cover. The calendar will be shown to each class. The cost will be £2.00. Orders by the end of November.

## **Swap Teachers Day.**

There will be a combined swap teacher's day and Multicultural days will be held in May 2010.

## **Healthy Food.**

School council reps were asked to remind their class about snacks that are allowed at break times. These are cheese, fruit and cereal bars. Children must remember to take out their snack from their lunchbox before putting

it on the trolley. No one should go to their lunchbox at break times. It was suggested that a laminated sign be put up to remind the children.

### **Birthdays.**

The school council would like children to be able to bring in sweets when it is their birthday but given out at the end of the day.

### **Cake Sale.**

The school council would like an occasional cake sale to raise funds.

### **Water.**

Mr Cooper is concerned about how much water children are drinking during the day. The school council have been asked to speak to their class about this. Children are to be reminded that they must bring a filled bottle of water to school each day. Bottles are available from Mrs Rossin at £1 each.

### **Children In Need. Friday 20<sup>th</sup> November 2009**

Mrs Atkinson suggested a Pyjamas day could be held to raise funds. Children could wear their pyjamas over a long sleeve top or wear a dressing gown. No slippers to be worn outside but could be worn inside if class teachers agree to this. Children asked to pay a £1.00. Reps to let Mrs Atkinson know if there are any children who have other ideas of how to raise money for Children In Need. This is so a list can be made of what is happening on the day.
