

# School Council Minutes

## Monday 14<sup>th</sup> September 2009.

Present: Morgan Strickson, Tyler Aspden, Jessie Howells, Jake Frost, Caitlin Bethell, Molly Joyce, James Deveraux, Jessica Hardy, Hannah Clemenson and Harvey Baker. Mrs Wells also attended.

Mrs Atkinson welcomed all the children to the School Council . Their duties were explained to them- setting a good example to all the other children.

Suggestions:-

Ella asked whether badges would be worn. Mrs Atkinson will order these and the handbooks for each rep.

Mrs Wells agreed that the use of a suggestion box in each classroom was a good idea. The rep for each class to look at these before their feedback to the class.

Ella suggested a computer challenge – Academic Mic Skill builders. A challenge for children to complete a task eg times tables, addition or subtraction. Who can complete the challenge in the quickest time. This would be a fun activity. Mrs Atkinson to ask Mr Cooper.

Mrs Atkinson referred to collection boxes in each classroom for a Polar Bear etc. The reps were asked if this was to continue. Reps to ask their class.

Morgan suggested that children may like to take home a Teddy Bear home at the weekend and to keep a diary. This would be for years  $\frac{3}{4}$

Fund Raising:- Balloon Race

Speed Mark. This is hired equipment using a goal post or skipping ropes. The speed of the goals and the number of skips are calculated. Children pay to take part and the school receive 70% of the takings. Mrs Wells will look into this.

Ice Pops will go on sale again next year during the warmer months. This was a good fund raiser.
