

## YAXLEY PARENTS AND TODDLERS GROUP

Our group was founded in 1979 by the vicar at that time, the late Reverend John Woodley and used to meet in the vicarage, providing somewhere to go with PRE-pre-school children. However, it soon outgrew those premises, moved to the Public Hall, and later to the William de Yaxley Church of England Junior School, where we have been made most welcome ever since. Mrs Mary Woodley is still actively involved with the group, supplemented by other members of the Mothers Union, who will all step in to help get out the toys and put on the kettle.

We are an informal group, meeting from 9.30 a.m. on a Thursday morning, until 10.45 a.m. The children have a range of toys to play with and enjoy getting together, learning social skills and sharing a snack! It's a good place to meet with other parents too, and swap childcare stories and ideas.
